

Santa Orgânica

GASTRONOMIA FUNCIONAL

Welcome!

Our passion is to provide health and well-being to you! That is why we cook in a healthy way, using gluten-free and lactose-free, from the most respected producers in the country for your table; we prefer organic food - free of pesticides, fertilizers and hormones - respecting the seasonality of each ingredient and favoring the direct purchase of these with the local producer.

In our menu you will find signs that indicate the gluten-free, lactose-free and vegan dishes, with no animal ingredients.

Eating Santa Organica is to eat with more flavor and health. Enjoy your meal! God bless!
